

UniPage is Exclusive HME Wireless Distributor in Australia

SAN DIEGO, CA—July 2008—UniPage will be the exclusive distributor of onsite paging solutions for HME Wireless, Inc. in Australia and New Zealand.

“UniPage is proud to represent such a dynamic company in the restaurant market,” stated Wayne Maeder, owner of UniPage. UniPage is looking forward to supplying the quality products offered by HME Wireless.

Both businesses are enthusiastic to be working together. Russ Ford, VP Sales/Marketing for HME Wireless said, “Wayne and his fine organization are just the kind of partner we look for to represent HME Wireless.” With the innovative technology from HME Wireless and the success of UniPage in the onsite paging market, this pairing is a perfect match.

For more information on HME Wireless communication products, call (866) 611-4202 or visit www.hme.com.

About UniPage

UniPage is the market leader in the supply of onsite paging systems, offering a range of solutions to improve efficiency and service for clubs, hospitals, salons, car dealerships and retail establishments.

About HME Wireless
