

Paging System for Church Nurseries

Increase Church Attendance, Maintain Quieter Services

Now you can conduct a peaceful religious service while providing families with childcare service easily and affordably with LiteCall paging system. Large, highly-visible digital displays silently notify parents during a service when they're needed in the nursery. With LiteCall, you'll increase attendance and have quieter, more focused services.

LiteCall is a great solution for any type of congregation, large or small. You can have multiple displays conveniently placed throughout your facility for large services. Rugged, reliable and easy to use, you can count on LiteCall to give families the peace of mind so you can enrich their spiritual life.

LiteCall silently notifies parents via large digital displays when they're needed in the nursery during a religious service.

LiteCall Highlights

- > **Quiet Paging**
Silently notifies parents if they are needed in the nursery without disrupting the service.
- > **Super Visible Displays**
Allow parents to easily view three-digit numbers identifying their children.
- > **Affordable Solution**
For religious facilities with a limited budget in need of a reliable system.
- > **Low Maintenance**
No batteries to replace or recharge, keeping the cost of ownership down.
- > **Plug-and-Go System**
Makes LiteCall so easy to install and use.
- > **Waterproof Design**
Increases its durability and performance over extended usage.
