Onsite Paging

Paging System for Church Nurseries

A New Call To Service

Serve young families with added care and attention thanks to the new QuietCall IQ. This groundbreaking paging system features an extended range to enhance parents' peace of mind as they attend service or wander the church campus. And its sleek, new ergonomic design makes carrying a pager more comfortable than ever.

QuietCall IQ also features a revolutionary, patent-pending system that automatically renumbers pagers at the touch of a button. Its customizable insert also lets you display church announcements and news on the face of the pager. Choose from several pager models to best fit your budget and needs.

With QuietCall IQ caregivers can easily notify parents the instant they're needed in the nursery during a religious service.

QuietCall IQ Highlights

- > **Automatic Renumbering**
Pagers can be automatically renumbered when placed in the charger.
- > **Quiet Paging**
Notifies parents instantly and silently if they are needed in the nursery, without disrupting the service.
- > **Digital Pager Numbers**
No more number stickers. Now all pagers are digital.
- > **Extended Range**
Parents can be paged anywhere on campus, not just the sanctuary.
- > **Customizable Insert**
Update easily with new church news.
- > **Anti-Theft Feature**
Minimizes pager loss with an out-of-range alert.
- > **All-Call Alert**
Alerts all parents at once that it's time to pick up the children.
- > **User-Replaceable, Rechargeable Batteries**
Battery replacement is easy and convenient, keeping ownership costs down.
